

We have identified an issue with the documentation available on this website for some of our funds, including the Key Investor Information Documents (KIIDs). The documents, including KIIDs, for some of our funds were not the most recent version of the document. This issue has now been resolved and the most recent documents, including the KIIDs, are now available on this website for all our funds. If you accessed our website on or after 1 January 2023 and believe that you were affected by this issue, you can:

- Call us on 0345 777 5511 from the UK or 00(44) 1268 448 667 from overseas. (Our lines are open 9:00am–5:30pm Monday to Friday. As part of our commitment to quality service, telephone calls are recorded].
